OF QUALITY

PRODUCT CATALOGUE

2022

We offer wide range of high quality confectioneries in keeping with the best traditions of the Russian confectionery industry.

"Slavyanka" group of companies is the leading Russian manufacturer of confectioneries with 90-years' history, producing more than 350 product names under well-known brands: "Step", "Belochka"/"Little squirrel", "Mishka na Severe"/"Little bear in the North", "Malenkoe chudo"/"Little Miracle", "Levushka", "Osobyi"/"Special", "Ptichka"/"Birdie", "Jacqueline" etc.

For 90 years we have gone a long way from a regional confectionery factory to a powerful confectionery association, which includes four factories and is respected all over the world.

- The history of the Slavyanka factory (Stary Oskol) began in 1932 with a small confectionery workshop. Today it represents several modern production sites equipped with modern high-tech equipment, and produces well-known sweets with the brands: "Step", "Levushka", "Ptichka"/ "Birdie", "Jacqueline" etc.
- The N.K. Krupskaya Confectionery Factory (Saint-Petersburg), founded in 1938, is well known for its quality and product with such legendary brands as "Osobyi"/ "Special", "Mishka na Severe"/ "Little bear in the North", "Belochka"/ "Little squirrel", etc.
- Confi (Yekaterinburg), the most famous confectionery factory of the Urals region, was founded in 1967. It is famous for its confectionery products with brands: "Uralskiye skazy"/ "Ural fairy tales", "Schastliviy den"/ "Happy Day", "Malyshok"/ "Baby".
- Volzhanka (Ulyanovsk) is a favorite confectionery factory of the Volga region, which has more than 40 years of glorious history. Over the years the factory has been awarded numerous international awards.

To provide factories with high-quality chocolate masses and cocoa products in the Slavyanka Confectionery group has launched its own factory with a full cycle of cocoa-beans processing from roasting to the production of a wide range of semi-finished products based on cocoa.

Our own flexible packaging plant allows us to maintain consistently high product quality and reasonable prices.

Major priority of the Slavyanka group of companies is commitment to the best traditions of the confectioneries national manufacturing and their quality keeping in line with the world leading producers' level. In order to achieve this the modern high-tech equipment is installed and quality control is carried out by own advanced laboratory at all stages of the production process.

All companies are certified in accordance with ISO 22000 international standards of quality and safety. Leading specialists of the industry are constantly working in order to delight consumers with the confectioneries best taste.

Slavyanka group of companies is the biggest Russian enterprise with 90-years' history, included in top 50 of confectionery companies World Rank.
